### Experience

2002-present | **LSR Visual Arts and Design**

2015-present | **Photography by Levi Rosen**

Graphic Designer/Photographer

- » Owner of two companies.
- » Worked with several high end clients, including Adobe. With my help on the production of an Adobe Students video dealing with the aftermath of Hurricane Harvey and restoration of damaged photographic prints, we were expecting 1.2 million views, which we got on the first day. Total was 6.2 million by the end of the run.
- » On site photo editor for CERAWeek the largest energy corridor conference in the world, through Orange Photography. Successfully edited over 1000 event photos per day using Lightroom and making sure all meta data was correct, with a same day turnaround, exceeded production expectations.
- » Designed full ad and promotional campaign for ANOMALY The Magic of Robby Bennett and Other Curiosities, a Texas based Magic and variety show. Worked as a team with marketing to have several sell out shows. I was in charge of creating all the promotional visuals, E.G. Social media ad visuals, billboards, and landing pages.

2015 - 2019 | **J Pamela Photography**

Graphic Designer/Photo Re-toucher

- » Head graphic designer and photo editor for photography studio. Varied work from ad design to retouching of photos.
- » In charge of updating editing work flow, migrating software from Adobe CS6 to CC and implementing cloud account for ease of media transfer to clients. This increased productivity exponentially for the studio.

2014 - 2015 | **University of Houston-Clear Lake**

Graphic Design and Digital Photography Teacher Assistant

- » Assisted in creating curriculum, grading work, and assisting students during lab on assignments.
